

Offer terms for the \$50 TAC USA Gift Card promotion on GetAireSpring 2026

Here are the simple and clear rules for the \$50 TAC USA Gift Card deal on GetAireSpring. These rules keep things simple and stop people from claiming the prize twice.

Official Promotion Terms & Conditions

1. Who is Eligible

- This promotion is open exclusively to **new, qualified business leads** who schedule, attend, and complete a dedicated consultation regarding their enterprise communications or technology infrastructure.
- To receive the reward, the participant must be a verified decision-maker or key stakeholder authorized to discuss telecom and cloud solutions for their company.

2. One-Per-Customer & Duplicate Rules

- **Strict Limit:** Exactly one (1) \$50 TAC USA Gift Card is permitted per business entity or household.
- Multiple entries, duplicate sign-ups from different individuals within the same company, or multiple submissions using different email addresses will be automatically disqualified.

3. What Counts as the Qualifying Call

- You only get the reward if you complete the official **10-minute meeting directly with Michael Nesci**.
- **Important Note:** Standard onboarding chats, administrative scheduling check-ins, or introductory pre-qualification calls with any other STRATUSstaff PODmate **do not** qualify for this promotion. The full interaction with Michael Nesci must be completed to unlock the credit.

4. How Fulfillment Works

- Once Michael Nesci marks the call as completed, the reward is processed using the **existing TAC-USA store credit system**.
- The unique \$50 credit voucher code will be generated and emailed to the verified corporate email address provided during booking within three (3) business days of the call.
